### Cobra Assist features

- 1. Microtag self-powered device + Connex app** - Automatically connects to the Connex mobile app via Bluetooth for Automatic Driver Recognition (ADR).
- 2. Auto eCall - Automatic Accident Alert & Emergency Assistance Response**  
Automatically detects accidents involving a force greater than 2G and instantly send alert and your car's location to the 24/7 Secure Operations Centre (SOC) for a rapid emergency response—minimizing response time and helping save lives.
- 3. Manual eCall - Enhanced Roadside Assistance**  
Press the Microtag button for enhanced roadside assistance. The Microtag, paired with your smartphone, will send alert and your car's location to the SOC for enhanced roadside assistance.
- 4. Safe Driving Alert (SDA) - Proactive Safety**  
Turn on SDA for real-time, friendly "beeping" alerts that notify drivers of unsafe events, such as phone distractions or speeding, helping to keep both the driver and passengers safe.
- 5. Enhanced Roadside Assistance**
  - Unlimited towing - In the unfortunate event of an accident, towing by our authorised tow truck to your preferred workshop within Malaysia, without charge. You will only pay for the toll charges if incurred.
  - Repair on-site service up to RM100 free labour – Battery jumpstart, flat tyre replacement or out of fuel delivery. Other services, charges apply.
  - Courtesy Car – Subsidy of car rental from GoCar up to RM1,500/year if your car is undergoing accident repairs at an authorised workshop.
- 6. Crash Reconstruction**  
Cobra crash reconstruction report to support the police report and for faster claims with the insurance company.
- 7. My Connex App**
  - Monitor vehicle location and status.
  - Review trip histories and driving scores.
  - Add multiple drivers and vehicles.
  - Receive low-battery notifications and incident reports.
  - And more.
